### Inspection Comments

Upon arrival I met with the new Walker County Shelter Director, Chelsi Dill, to perform a re-inspection/follow-up of the above listed facility. I walked facility inspecting premises, animals, and their enclosures. Facility was clean and in good state of repair. There was a current license posted with an expiration date of 01-31-2020. There were fire extinguishers on property. All enclosures appeared to be appeared to be readily cleaned and sanitized routinely. All floors appeared to be dry and impervious to moisture. All food and supplies appeared to be stored in an adequate manner. All animals appeared to be receiving humane care. They appeared to have adequate space to move about freely within their enclosures, had access to food and water, and appeared to be on a regular feeding schedule. All animals appeared to be free of disease or undergoing treatment as prescribed by the overseeing License Veterinarian, Dr. Benson DVM.

I did not check record keeping during my follow-up. Director Dill and I went of the Animal Shelter Folder and Rescue Group Authorization Forms. A current DEA license has not been provided by Dr. Benson DVM at this time. I will check back regarding the issue.
