### Action Notes

### Violation Information

### Inspection Comments

This was a follow up at the above shelter while Inspector Turner who covers this county was on leave. All enclosures are clean and pets appear to be healthy and receiving humane care. Several pet adoptions have been made over the past week. There are 12 cats and 48 dogs at the facility today. Employee Courtney Andes was present today and showed me around the facility. Records will be checked by inspector Turner during their Routine Inspection.
