Inspection Comments

Complaint: "Ms. Williams states that there is a landfill that is on the same piece of property as the animal shelter and that they are having tire disposal days at the landfill. She states that it is causing a mosquito infestation at the shelter that she believes is causing heartworms in the animals there. Please make contact with EPD to investigate these claims."

Per Companion Animal/Equine Manager Mark Murrell I contacted EPD regarding the above listed complaint. I spoke with Tracey Feltman and Jason Rogers with EPD. Mr. Rogers currently inspects the Walker County Landfill and stated that during the last inspection on 07-19-2019, the landfill met all requirements. Mr. Rogers plans to inspect the landfill again in the near future.

I inspected Walker County Animal Shelter on 10-24-2019, where it appeared to meet all requirements for a GDA Animal Shelter License. There did not appear to be a "mosquito infestation" at the shelter.

Close Complaint.
