Dear Commissioner Whitfield:

The Georgia Environmental Protection Division (EPD) has completed a review of the 2019 financial assurance mechanism submitted by your government. Based on the financial assurance mechanism, Walker County is in compliance for closure and post-closure care financial assurance requirements through March 30, 2021.

Please note that Walker County must submit a new financial assurance mechanism by March 30, 2021 via the Georgia EPD Online System (GEOS). A copy of this letter is to be placed in the operating record file of the permitted solid waste disposal facility.

If you have any questions, please contact me at (404) 362-4918.

Sincerely,

Teslim Abdul-Kareem
