- Water Resources: Comply with applicable regulations concerning the direct or indirect discharge of pollutants to underground and natural surface waters.
- Oily Substances: Prevent oily or other hazardous substances from entering the ground, drainage areas, or local bodies of water in such quantities as to affect normal use, aesthetics, or produce a measurable ecological impact on the area.
- Store and service construction equipment at areas designated for collection of oil wastes.
- Dust Control, Air Pollution, and Odor Control: Prevent creation of dust, air pollution and odors.
- Use temporary enclosures and other appropriate methods to limit dust and dirt rising and scattering in air to the lowest practical level.
- Store volatile liquids, including fuels and solvents, in closed containers.
- Properly maintain equipment to reduce gaseous pollutant emissions.
- Noise Control: Perform demolition operations to minimize noise.
- Repetitive, high level impact noise will be permitted only between the hours of 7:00 a.m. and 8:00 p.m. Aside from this, there are no work hour restrictions.

### **Indemnification and Insurance Requirements**

#### **INDEMNIFICATION**

The Contractor shall indemnify and hold harmless Walker County against any and all claims, including but not limited to, personal injury or property damage, and attorneys fees incurred by Walker County in its legal defense, arising out of or resulting from the performance of the products or from the services, of which, Walker County is contracting hereunder, provided

such is caused in whole or in part by any negligent act or omission of the Contractor or any subcontractor or any of their agents or employees, or arising from any job-related injury.

Said indemnification and hold harmless on behalf of Walker County shall be in addition to any and all other legal remedies available to Walker County and shall not be considered to be Walker County's exclusive remedy.

It is agreed by the parties hereto that specific consideration has been received by the vendor or contractor under this agreement for this hold harmless/indemnification provision.

## INSURANCE REQUIREMENTS

Contractor will be required to procure and maintain, at its own expense and without cost to Walker County, until the expiration of the one year warranty following final acceptance by Walker County of all products and services covered by the contract, the following types of insurance as a minimum, the following insurance limits: a) Workers' Compensation statutory limits; b) Comprehensive General Liability Insurance, a total of \$1,000,000 for each occurrence and \$2,000,000 in aggregate; c) Comprehensive Automobile Liability Insurance, a total of \$1,000,000 for each occurrence and \$2,000,000 in aggregate. **CONTRACTOR WHO IS AWARDED BID MUST OBTAIN A PERFORMANCE BOND. THE CONTRACTOR SHALL ALSO PROVIDE A CERTIFICATE OF INSURANCE TO WALKER COUNTY DEMONSTRATING THE AFOREMENTIONED INSURANCE REQUIREMENTS HAVE BEEN MET PRIOR TO THE COMMENCEMENT OF WORK UNDER THE CONTRACT.**

The Comprehensive General Liability and Auto Liability certificates of insurance shall indicate that the policies have been endorsed to cover Walker County Government as an **additional insured** and must reference specific projects by name and that these policies may not be canceled or modified without thirty (30) days prior written notice to Walker County.

The insurance coverage enumerated above constitutes the minimum requirements and shall in no way lessen or limit the liability of the vendor or contractor under the terms of the contract. Sub-Contractor's insurance shall be the responsibility of the Contractor.

Surety and insurance companies must have an AM Best rating of A+ or greater, be listed in the Federal Registry of Companies holding Certificates of Authority and Acceptable Sureties on Federal Bonds, be licensed by the Georgia Insurance Department and the Georgia Secretary of State to do business in the State of Georgia.

**Contractor shall incorporate a copy of the insurance requirements as herein provided in each and every subcontract with each and every Subcontractor in any tier, and shall require each and every Subcontractor of any tier to comply with all such requirements.**

Contractor agrees that if for any reason Subcontractor fails to procure and maintain insurance as required, all such required insurance shall be procured and maintained by Contractor at Contractor's expense. No Contractor or Subcontractor shall commence any work of any kind under this Contract until all insurance requirements contained in this Contract have been complied with and until evidence of such compliance satisfactory to Walker County as to form and content has been filed. The Accord Certificate of Insurance or a pre-approved

substitute is the required form in all cases where reference is made to a Certificate of Insurance or an approved substitute. The Contractor shall agree to waive all rights of subrogation against Walker County, their officers, officials and employees from losses arising from work performed by the Contractor for Walker County. The Contractor shall make available, through its records or records of its Insurer, information regarding a specific claim. Any loss run information available from the Contractor or its insurer will be made available to Walker County upon request.

**Terms and Conditions**

All Proposals and supporting materials as well as correspondence relating to this RFP become property of Walker County when received. Any proprietary information contained in the submittal should be so indicated. However, a general indication that the entire contents, or a major portion of the Proposal is proprietary will not be honored.

- All applicable State of Georgia and federal laws, county ordinances, licenses and regulations of all agencies having jurisdiction shall apply to the Contractor and Project throughout and are hereby incorporated herein as if fully stated. This Contract and all questions concerning the execution, validity or invalidity, capability of the parties, and the performance of the Agreement, shall be interpreted in all respects in accordance with the laws of the State of Georgia.
- Professionals requiring special licenses must be licensed in the State of Georgia, and shall be responsible for those portions of the work as may be required by law.
- Sub-Contractors as part of the project team must be clearly identified in the submittal, including roles, resumes of key personnel and project references. The Contractor is responsible for obtaining E-verify Affidavits from its subcontractors and submitting verification to Walker County prior to executing a contract with any subcontractor.
- The project involves paving the roads as specified herein:
