## Walker County Planning Commission 2025 Meeting Dates & Deadlines

The following is a list of the Planning Commission's meeting dates and deadlines for 2023. Please understand that in order to be placed on the agenda the person must have submitted all necessary documentation prior to the deadline. If there is required review and approval for the proposed project, those items must be submitted far enough in advance that they can be reviewed and approved prior to the deadline. The item will only be placed on the agenda if all requirements are met prior to the deadline. If items are not in and approved, then they will be placed on the next month's agenda. We apologize for any inconvenience: however, we are required to have all information readily available for the public to view when we advertise our agenda in the Walker County Messenger. We cannot deny the public the opportunity to view information pertaining to the project if we do not have the information in our office.
